AMENDMENT AND REQUEST FOR

RECONSIDERATION UNDER 37 C.F.R. § 1.111

I. Introductory Remarks:

This amendment and request for reconsideration is in response to the office communication mailed February 6, 2004. In that office communication, the Office raised various concerns as to the specification, drawings and claims. The Assignee submits this amendment and request for reconsideration to fully address the Office's February 6, 2004 action.

Please amend the above-identified application according to attached Specification Amendments, Claim Amendments, and Appendix A (Replacement Drawings) sections and reconsider the application. The Assignee also notes that two additional appendices – Appendix B and Appendix C, which include respectively copies of each the earlier filed Second Preliminary Amendment, and the earlier filed Supplemental Information Disclosure Statement – are also enclosed herewith to show that these documents were in fact filed. The Assignee reminds the Examiner that the Examiner authorized this informal type of submission relative to previously filed documents (Appendix B and C) as to the second preliminary amendment in a telephone conference with an assistant to Assignee's undersigned representative (Legal Assistant Cheryl Swanson) on March 16, 2004. The Assignee presumes that this informal type of

submission will also be appropriate for the Supplemental Information Disclosure Statement (copies submitted as Appendix C), which was previously correctly filed on September 23, 2003.

The Assignee believes all concerns have been addressed and that all claims remaining in the case are in condition for allowance.

Assignee notes that it has submitted herewith a Petition for Extension of Time in order that the Examiner may consider this reply.

Amendments to the Claims begin on page 3 of this paper.

Remarks, which includes an explanation of the changes made to drawings, begin on page 14 of this paper.

Replacement Sheets for Amended Drawings are provided in Appendix A, hereby incorporated in this reply.
